

APPLICATION FORM

Edward J. Willwerth Marine Chemist Memorial Scholarship

The Edward J. Willwerth Marine Chemist Memorial Scholarship will be awarded to an individual (or individuals) who, in the sole and absolute discretion of the Marine Chemist Association Scholarship Committee, merits the scholarship on the basis of their interest, achievement and degree path in chemical sciences, safety and health sciences, or engineering sciences.

To be eligible for the scholarship the individual must be a child, stepchild or grandchild of a NFPA Certified Marine Chemist who is currently an active member, associate member or life member of the Marine Chemist Association. The award is additionally open to those children, stepchildren, and grandchildren of NFPA Certified Marine Chemists who were living when the chemist died while they were active members of the Marine Chemist Association.

The award is limited to current high school seniors entering college, college freshman, sophomores and juniors entering their next year at an accredited college or university as a full time student. The maximum award per individual per year is \$5000.00. The maximum award per student is \$20,000. Students may apply each year during their eligibility period until the \$20,000 maximum award is reached.

Awards may be applied only to tuition, books and related fees that are not covered by other grants. (This does not include school supplies) Payment of the scholarship will be made directly to the academic institution for tuition or related fees. The scholarship may not be applied to room or board fees.

Please type or print in ink.

Fully completed applications **must be received by May 1, 2020**

The Scholarship Committee will not consider any applications that are not fully completed, late or lack the required information.

Edward J. Willwerth Marine Chemist Memorial Scholarship
Personal Information
(Print clearly if filling out by hand)

1. Full Name: _____

Edward J. Willwerth Marine Chemist Memorial Scholarship Application Requirements

All applicants must submit the following.

1. Write an essay (one or two pages) describing your past achievements and activities in the chemical sciences, safety and health sciences or engineering sciences. Include in the essay your goals for the future as they relate to your course of study.
2. Submit an outline of your past and present activities in school, your town or academic community as they relate to achievements in chemical sciences, safety and health sciences or engineering sciences. Please provide approximate dates and the number of hours you spent on the activity. Note that all scholarships are based on achievements in chemical sciences, safety and health sciences or engineering sciences and the list of activities should be limited to this area.
3. Submit **two (only two)** letters of recommendation from persons who know you and are familiar with your achievements in chemical sciences, safety and health sciences or engineering sciences. These letters of recommendation may not be from family members. All letters will remain confidential.
4. Submit an authenticated copy of your transcript for the past **two** years including the most recent semester completed.

The Marine Chemist Scholarship Committee **will not** consider applications which do not contain the required information listed above. By signing below I state that I have read and understand all requirements involved in the Edward J. Willwerth Memorial Scholarship.

Date: _____ Signature: _____
